

Notice regarding Digital Teaching Learning/On-Line Classes/E-Learning/Distance Learning

Dear Students

All of you are well aware that whole globe is reeling under the scourge of COVID-19. WHO has declared it as pandemic. Our Central Government and State Government have declared it as National Disaster and Epidemic respectively under relevant laws. Under the germane orders/guidelines promulgated by the Governments, all Educational Institutions will remain closed for the students till further order. Thus, holding of classes in conventional physical mode is not permissible till the time rampant state of pandemic lasts and said orders/guidelines remain in operation and we have to take recourse to On-Line/Distance Learning mode. It is time to turn adversity into an opportunity. We have to make best of it and extract most out of it. We should rise to occasion and materialize the old adage “When going gets tough, tough gets going”. For the optimal benefit of the Students, the College has assiduously devised and meticulously planned a comprehensive academic strategy encompassing delivery of textual notes coupled with pre-recorded video lectures/on-line lectures via Zoom meeting app by the worthy Faculty Members to our precious jewels- the students through on-line/digital modalities. In furtherance thereof, the students are hereby directed to note down and follow strictly the following instructions:-

1. The students are required to arrange for a smart mobile phone with internet connection equipped with fully operational and functional WhatsApp and Zoom-Online Meeting App. The students must prepare themselves Tech savvy and get acquainted with diverse utilities, usages and functionalities of afore-mentioned Apps.

2. Those students who have changed their mobile no. or not yet get registered their WhatsApp number with the College, are hereby directed to send their WhatsApp number along with relevant details viz. Name, Class, Roll No. at WhatsApp No. 9017524222 (of Mr. Pramod Goyal) for necessary action.
3. The College has adopted a binary, dual and multi-faceted pedagogical technique consisting of textual notes coupled with pre-recorded video lectures/on-line lectures via Zoom meeting app. The academic deliverables in the form of textual notes and pre-recorded video lectures will be uploaded on College Website regularly on daily basis. The subject teachers will also deliver lectures via Zoom Meeting App. The bulk of textual notes , pre-recorded video lectures uploaded on College Website and frequency of Online classes through Zoom meeting App will depend upon the pedagogical imperatives of the given subject in the discretion of concerned subject teacher.
4. The worthy Faculty members will prepare a **WhatsApp group** of each class separately and they will administer that group themselves. The requisite URL link/Log in ID and Pass word will be dispatched by the faculty members to the students on the respective WhatsApp group as per the time table notified to them. The students are directed to join the WhatsApp groups of their classes of various subjects as and when the invite from the subject teacher is sent to them.
5. Time Table has been uploaded on College Website. The students are directed to note it down meticulously. As and when Online classes will be conducted by the subject teachers, they will be held as per time table and requisite URL link/Log in ID and Pass

word will be dispatched by the faculty members to the students on the respective WhatsApp group as per the time table notified to them.

The above is for strict compliance of all.

**DEAR STUDENTS, PULL UP YOUR SOCKS AND BRACE UP FOR
INDUCTION INTO A NEW TEACHING LEARNING MODULE WITH FULL
VIGOUR, ENTHUSIASM AND ALACRITY.**

ALL THE BEST TO ALL OF YOU.

(PRINCIPAL, VAISH COLLEGE OF LAW, ROHTAK)
